

Commemoration of 109th Birth Anniversary of Saeen G. M. Syed

Cultural Event in Houston

"Man's material and spiritual development is not possible without creating a spirit of universal peace and tolerance. For this, the land of Sindh has an exemplary message: a truly generous respect for mankind. Our venerable ancestors and great saints regarded it as real worship and, for centuries, our people have been a living, proof of the truth and success of this message."

– Saeen G M Syed
